Proposed by:

**GUJARAT RAJYA GRAM VIKAS
SAMITI**
(GRGVS)

Facilitated by:

05. GOALS & OBJECTIVES

Goal

To create comprehensive awareness among children about safe and unsafe touch and to promote a culture of child protection in schools and communities across Gujarat.

Objectives

- Educate children on Good Touch & Bad Touch in an age-appropriate, sensitive manner
- Build children's confidence to say "NO" assertively and report abuse to trusted adults
- Sensitise teachers and parents on recognising signs of abuse and supporting survivors
- Promote safe, supportive environments in schools and communities
-

06. TARGET BENEFICIARIES

Children Ages 5–16 years	Educators Teachers & School Staff	Caregivers Parents & Communities
------------------------------------	---	--

07. STRATEGIES & ACTIVITIES

A. Awareness Sessions for Children

- Interactive workshops using stories, videos, and age-appropriate activities
- Structured explanation of good touch and bad touch with practical scenarios
- Teaching children how to respond, seek help, and identify trusted adults

B. Capacity Building for Teachers & Staff

- Training teachers to identify early signs of abuse and respond appropriately
- Establishing child-friendly, confidential reporting mechanisms within schools

C. Parent & Community Sensitisation

- Awareness sessions for parents on recognising risks and communicating with children
- Practical guidance on creating safe home environments and open dialogue

D. IEC Materials & Digital Outreach

- Development of posters, illustrated storybooks, and child-friendly educational materials
- Digital awareness dissemination through WhatsApp groups and social media platforms

12. CSR ALIGNMENT

This project aligns with the following CSR frameworks and Sustainable Development Goals:

Regulatory Compliance Schedule VII, Companies Act 2013 Child Protection & Welfare Education and Awareness	SDG Alignment SDG 4 – Quality Education SDG 5 – Gender Equality & Protection SDG 16 – Peace, Justice & Strong Institutions
---	--

13. WHY PARTNER WITH GRGVS

- ✓ **30+ years of community development experience across Gujarat**
- ✓ Strong, trusted presence in rural and urban communities
- ✓ **Proven expertise in awareness programmes and community outreach**
- ✓ Demonstrated track record in successful CSR project implementation
- ✓ **Full compliance: CSR-1, 12AA, 80G, FCRA – ensuring donor protection**

14. CONCLUSION

GRGVS seeks to collaborate with forward-thinking corporates to create safer environments for children through structured, evidence-informed awareness programmes on Good Touch and Bad Touch.

This initiative will empower children with knowledge and confidence, strengthen community-level protection systems, and contribute meaningfully to a safer, more equitable society — delivering measurable CSR impact aligned with your organisational values.
